Abstract: The NSLP, SBP and SMP claims for reimbursement forms, FNS-806-A and FNS-806-B, are used to collect meal and cost data from school food authorities whose participation in these programs are administered directly by FNS Regional Offices (Regional Office Administered Programs, or ROAP). In order to determine the amount of reimbursement school food authorities are entitled to receive for meals and milk served, they must complete these forms. The completed forms are submitted to FNS' Regional Offices where they are entered into a computerized payment system. The payment system computes earned reimbursement.

Earned reimbursement in the NSLP, SBP and SMP is based on performance which is measured as an assigned rate per meal or half pint of milk served, with cost comparisons for free milk and severe need breakfasts. To fulfill the earned reimbursement requirements set forth in NSLP, SBP and SMP regulations issued by the Secretary of Agriculture (7 CFR 210.8, 220.11, 215.10), the meal and cost data must be collected on forms FNS-806-A and FNS-806-B. These forms are an intrinsic part of the accounting system being used currently by the subject programs to ensure proper reimbursement as well as to facilitate adequate recordkeeping.

The claims for reimbursement for the NSLP and SBP are on the FNS-806-A and the claims for reimbursement for SMP are on the FNS-806-B.
